

**Privacy Policy:**

**St. Joseph Children's Home** is aware of consumer privacy concerns. This Privacy Statement was developed to demonstrate St. Joseph Children's Home commitment to privacy. The following discloses our information gathering and dissemination practices.

Contact information provided by visitors, such as name and email address, is used only to provide visitors with information and to communicate directly with visitors about St. Joseph Children's Home. We will not solicit personal information from you as you tour our site, though you may provide that information voluntarily. If you do elect to provide personal information to us, in no case will we sell, license, or transmit that information outside of St. Joseph Children's Home for any reason, unless you authorize us to do so. At times, we may request personal information from you in order to deliver requested materials to you, and respond to your questions, and we will use your information for those purposes only.

Information on this web site may be changed or updated without notice. Therefore, information contained on this site may be out of date at any given time. Consult the appropriate professional advisor for more complete and up-to-the-minute information.

In no circumstances will St. Joseph Children's Home be liable to any party for any direct, indirect, special, or other consequential damages arising out of any use of this web site or any other hyper-linked web site. This includes, without limitation, any lost profits, business interruption, loss of programs, or data on your equipment, or otherwise. St. Joseph Children's Home may change this privacy policy at its discretion provided any such change shall be posted on this web site.

Any links to other web sites are not intended to be referrals or endorsements of these sites. The links provided are maintained by their respective organizations and they are solely responsible for the content of their own sites.

If you communicate with us by e-mail, please remember that Internet e-mail is not secure and you should avoid sending sensitive or confidential messages unless they are adequately encrypted.
